**Cost:** To provide a high-quality, individualized, summer learning opportunity for our campers, the actual cost of camp is \$2660 per camper. Our generous community donors have provided a discount for all Escambia and Santa Rosa County residents, resulting in a tuition rate of \$1520 per camper.

Local camp participants are invited to apply for additional financial aid on a **generous sliding fee scale** based on adjusted gross income and family size. Families are also encouraged to participate in our annual Friends and Family Campaign for individual fundraising.

A limited number of participants from outside our two-county area may be accepted into camp, but the full cost of camp plus a surcharge will apply.

**Assessments:** All campers accepted into Kids for Camp will be scheduled for a mini skills assessment during the spring. Parents are responsible for making sure their child attends their scheduled session. Parents will be provided with a summary of the completed assessment.

**Volunteer Requirements:**

As a condition for acceptance into camp, all parents/guardians must understand that they are *required* to complete a minimum of 10 hours volunteer work for Autism Pensacola and/or Kids for Camp. There are many volunteer opportunities available with Autism Pensacola throughout the year and, of course, during camp. Camp parents must do their part to make camp happen.

Parents filling volunteer positions with API that require exceptional amounts of time and commitment are rewarded with guaranteed acceptance into Kids for Camp for their camper and, in some cases, financial aid. Parents wishing to fill one of these leadership positions will be evaluated by API staff regarding their qualifications for the job. More information on these positions, including job descriptions, is available on request.

Upon acceptance into camp, you will receive with your enrollment paperwork a volunteer sign-up form with a list of volunteer needs. For those whose daytime hours are limited due to work and/or other children/commitments, there are some activities that can be done from home. We will also welcome relatives and friends to volunteer on your camper's behalf. Remember – volunteerism is *required* of all camp families. If it is impossible for you to fulfill your volunteer requirement, you may choose to donate \$100 to API in lieu of volunteering.
