

Kids for Camp 2012

A summer training experience Coach Application Form

Kids for Camp is a nationally acclaimed summer learning lab designed to provide training in best practices, using Applied Behavior Analysis and Verbal Behavior, for teaching children and teenagers with autism. If you seek a summer experience leading a top-notch program, Autism Pensacola is accepting applications for the positions of lead and assistant coach (BCBA/behavior specialists). Kids for Camp is located in Pensacola.

This summer experience will provide opportunities for:

- **Teaching others in instructional techniques based on Applied Behavior Analysis and Verbal Behavior**
- **Training others in the assessment of individual student's strengths and areas of need and giving assistance in identifying successful teaching methods to achieve targeted goals and objectives**
- **Opportunity for research projects**
- **Direct support from leadership staff**
- **Limited opportunities for staff children to participate in camp**

Important Dates:

- **May 5, May 19 – Lead teacher training**
- **June 18-22 – Full staff training**
- **June 25 – August 2 - camp in session (Mondays – Thursdays, 8:30 a.m. to 4:30 p.m.)**

Kids for Camp is made possible through a partnership with Autism Pensacola, Inc., the Sacred Heart Autism Resource Center, the Escambia County School District, the Santa Rosa County School District, FSU-CARD, Florida Inclusion Network, FDLRS-Westgate and the generous people of the greater Pensacola area. Autism Pensacola is an equal opportunity employer.

Answer the following questions neatly, in detail, on a separate page. Please remember, you will be responsible for the training outcomes of teachers and the progress of students on your campus. Thorough knowledge of Applied Behavior Analysis, as well as strong managerial skills, is required for these positions. Please review Staff Policies & Procedures for coach responsibilities regarding staff discipline.

1. Describe your formal training and experience working with children and young adults with autism spectrum disorders.
2. Have you worked at Kids for Camp in the past? What years? What was your position?
3. What experience do you have handling problem behaviors?
4. What experience do you have using Applied Behavior Analysis?
5. Describe your experience using Verbal Behavior.
6. Describe your planning, teamwork, and supervision experience.
7. Describe how working at camp will contribute to your long-term career goals.
8. With what age/ability level of children do you have the most experience?
9. Are you available all six weeks (plus training)? If you have any limitations (time, health, etc) please explain.
10. Please share any additional information regarding your potential employment.

Please choose the position for which you would prefer to be hired -- based on your level of knowledge, experience, and availability:

_____ **Lead Coach** (Primary responsibilities include curriculum development, hiring responsibilities, training and direct supervision of assistant coach, lead teachers and instructors during camp and preparation of activities prior to camp), BCBA or equivalent experience required

_____ **Assistant Coach** (Primary responsibilities include training and direct supervision of lead teachers, instructors, and campers under the guidance of a lead coach; will also include training and limited preparation of activities prior to camp), BCBA or equivalent experience required

**Please provide resume and 2 professional references.
Certificates or transcripts may be requested.**
